ORGANIC BABY WORLD GRAND OPENING

Owner Jasinta Bagha

Leaving after a lecture with Dr. Amy Robinson.

Grand opening of Organic Baby world, a store devoted to everything organic from clothes, soaps, baby food, to furniture and paints. This unique store also offers lectures with Dr. Robinson, infant massage classes, and Eco design services for nursery & home. Don't just think everything is for babies, but everything associated with babies, including parents, and grandparents. Visit www.organicbabyworld.ca for more info.

"Everything organic!"
